ROLL CALL
Kyle Jumper – Executive Board
Bill Sharber – Executive Board
Jerry Martin - Executive Board
Cole Ivy – Executive Board
Mike Brewer - Executive Board - Absent
Ronnie Ward – Executive Board
Willy Kelton – Team Roping Director

Meeting Called to order by Kyle Jumper, Executive Director at 6:05 p.m.

This meeting was called to address the team roping at the Wickenburg Gold Rush Days rodeo slack on February 14, 2025.

Several people roped with wrong partners and some switched ends. Willy (team roping director) had received numerous calls and text messages from team ropers. He also received a letter signed by several team ropers asking for an emergency rule change to ensure this could not happen again. Willy's proposal was to make the team roping a "pick one, draw one" with no entering open and drawing courtesy runs. Cole expressed his concern for making this change at this time as numerous new members this year have bought their cards due to the rule that they can enter open and draw partners. After lengthy discussion it was decided to leave the rule as is for the remainder of the 2025 season. Willy is going to call the ropers that made the rule infractions and express to them why they should not have done that and that they should have let the rodeo secretary fix it.

We had a short discussion about the 2025 Finals. Cole will be cc'd in on all correspondence between Cindy and Apache Gold. Cindy is going to try to check on moving dates back.

The Board requested Cindy to start sending bank statements as well as her spreadsheet to them at the beginning of each month. Discussion was also held about moving

bookkeeping in house. Cindy expressed not wanting that responsibility expressing a lack of cross-checking accountability and having two signatures on accounts as we now have. For now this will be left in place as they are.

Motion by Cole, 2nd by Bill to adjourn the meeting. 7:24 p.m.

Respectfully submitted,

Cindy
